

10. (With Bharti Agrawal and Rashmi Awad) Some Constructions of Affine Resolvable Designs with unequal Block Sizes. International Journal of Engineering Innovation and Research, volume 5,
11. (With Bharti Agrawal) "Some Constructions of 3-Resolvable 2-Associate PBIB designs"
Elixir Statistics 93C (2016), 39807-39813, ISSN: 2229-712X

12. Construction of variance and Efficiency Balanced Designs using $2^n$ – factorial designs (With Rashmi Awad),

13. (With Bharti Agrawal) Some results on universal optimality of Resolvable designs with unequal block sizes. Elixir Statistics 100 (2016), 43360-43370, ISSN: 2229-712X.
   Elixir Statistics 97C (2016), 41866-41873, ISSN: 2229-712X

15. (With Rashmi Awad) Construction of variance and Efficiency Balanced Designs using $3^n$ – factorial design

16. (With Rashmi Awad) In Conference Innovative Strategies in Transitional Economy

18. Some Contributions in Quasi Symmetric 2- designs with three intersection numbers. [(With Smita Jain), Elixir Statistics, 116, 50107-50113, ISSN 2229-712X (March2018)].

**Ph.D. Guide**

1. Ms. Rashmi Awad

**Ph.D. Co-guide**

1. Mr. Pankaj Chauhan
2. Ms. Nirmala Sawan
2019

Ph.D

1. Bharti Agrawal
